

## WHO IS PALS?

**Mission:** The mission of PALS is to support and promote Lutheran schools in the Pittsburgh area in the ministry of spreading the Gospel

PALS (Pittsburgh Area Lutheran Schools) provides resources and tools to grow existing Lutheran Schools and to establish new schools in the greater Pittsburgh Area.

**History:** PALS was founded in 1988. However, Lutheran Schools have been a part of the education system in the Pittsburgh area for over 100 years. We are supported by congregations of the Lutheran Church Missouri Synod and are the largest Protestant school system in the United States. We welcome children of all faith and ethnic origins to our schools. We support 1 high school, 2 elementary schools and 12 pre-schools.

### The purpose of PALS' Education fund is to:

- \* Promote Lutheran Education
- \* Assist with Tuition
- \* Provide Learning Resources
- \* Special Opportunities

**Our Partnership:** PALS is registered with the Pennsylvania Educational Improvement Tax Credit Program (EITC). This includes ACT 4 & 48. If you would like to partner with us or get more information, please contact us. We would love to share more about this and other ways you can get involved with this ministry.
